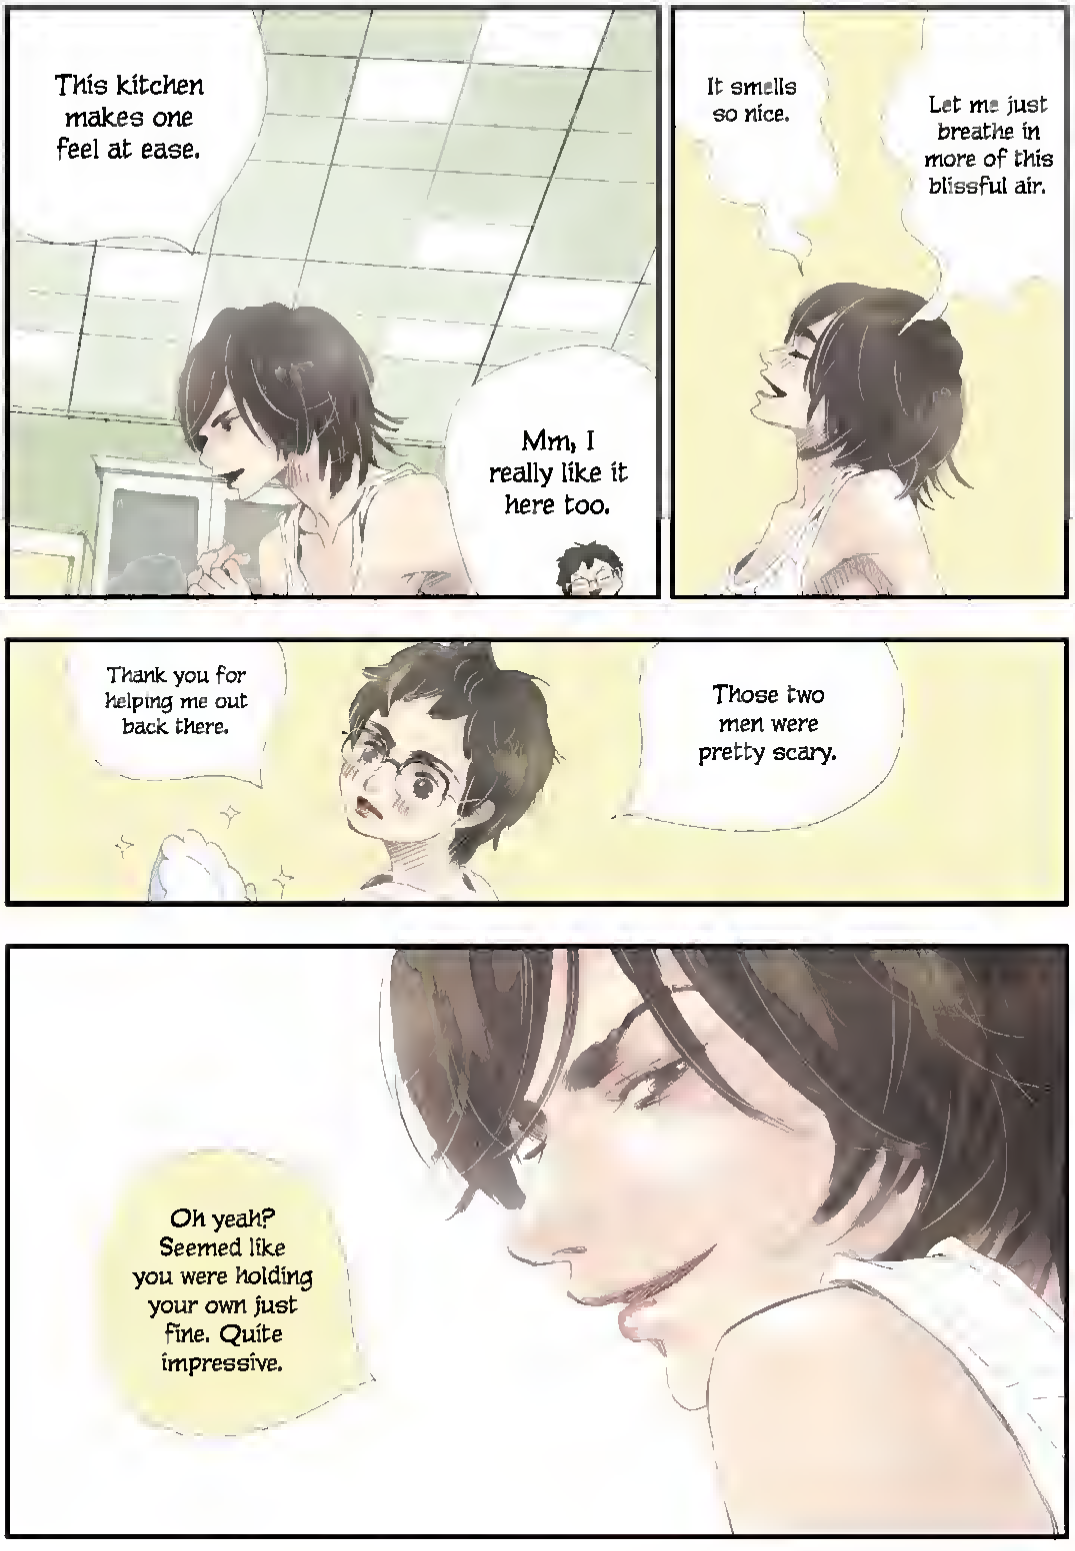
Chapter 4
First Love (2)

How satisfying!
Fuu...
The plate - let me wash it.

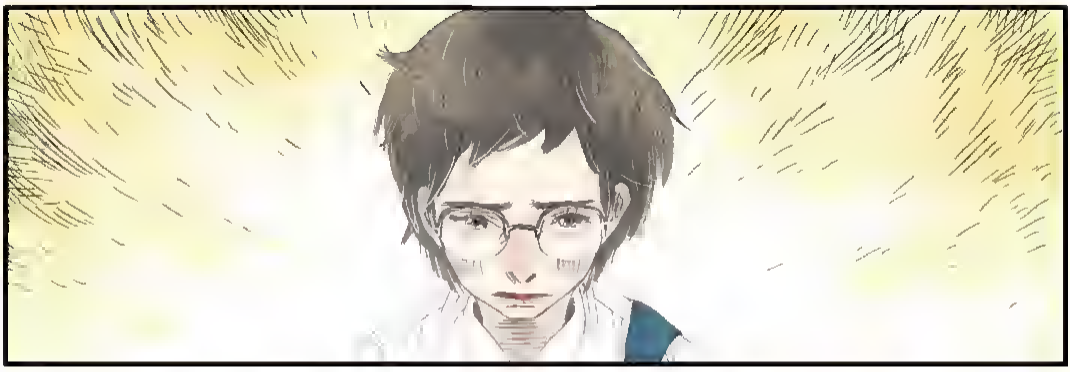


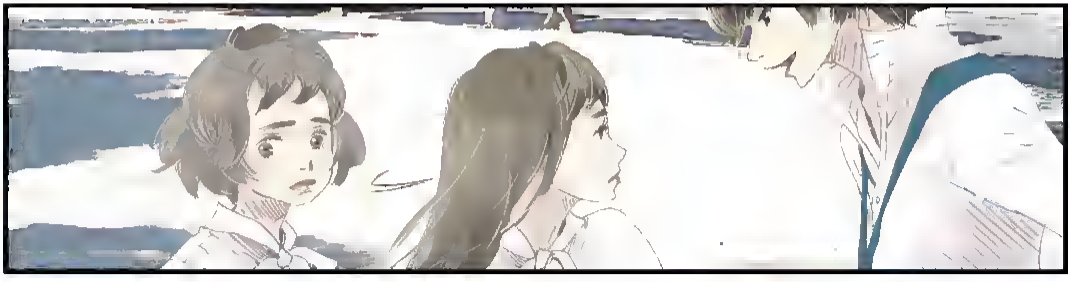
This kitchen makes one feel at ease.
Mm, I really like it here too.
It smells so nice.
Let me just breathe in more of this blissful air.
Thank you for helping me out back there.
Those two men were pretty scary.
Oh yeah? Seemed like you were holding your own just fine. Quite impressive.

It wasn't a big deal, hehe.
I should get going. Thanks for the food.
Already?
Even though I've valiantly rescued you, don't go falling in love with me.
I was just being polite, but you really let it go to your head.
I'll walk you out!
See you at school tomorrow.

HE'S GOT EVERYONE FOOLED.
PRETENDING TO BE AN IDIOT ~ LETTING OTHERS PUSH HIM AROUND AND BULLY HIM

HE... HE'S NOT THE KIND OF PERSON YOU ALL THINK HE IS.
Hey, Erye Zheng,
Are you following us?
.....
Say something! What's up with that expression?

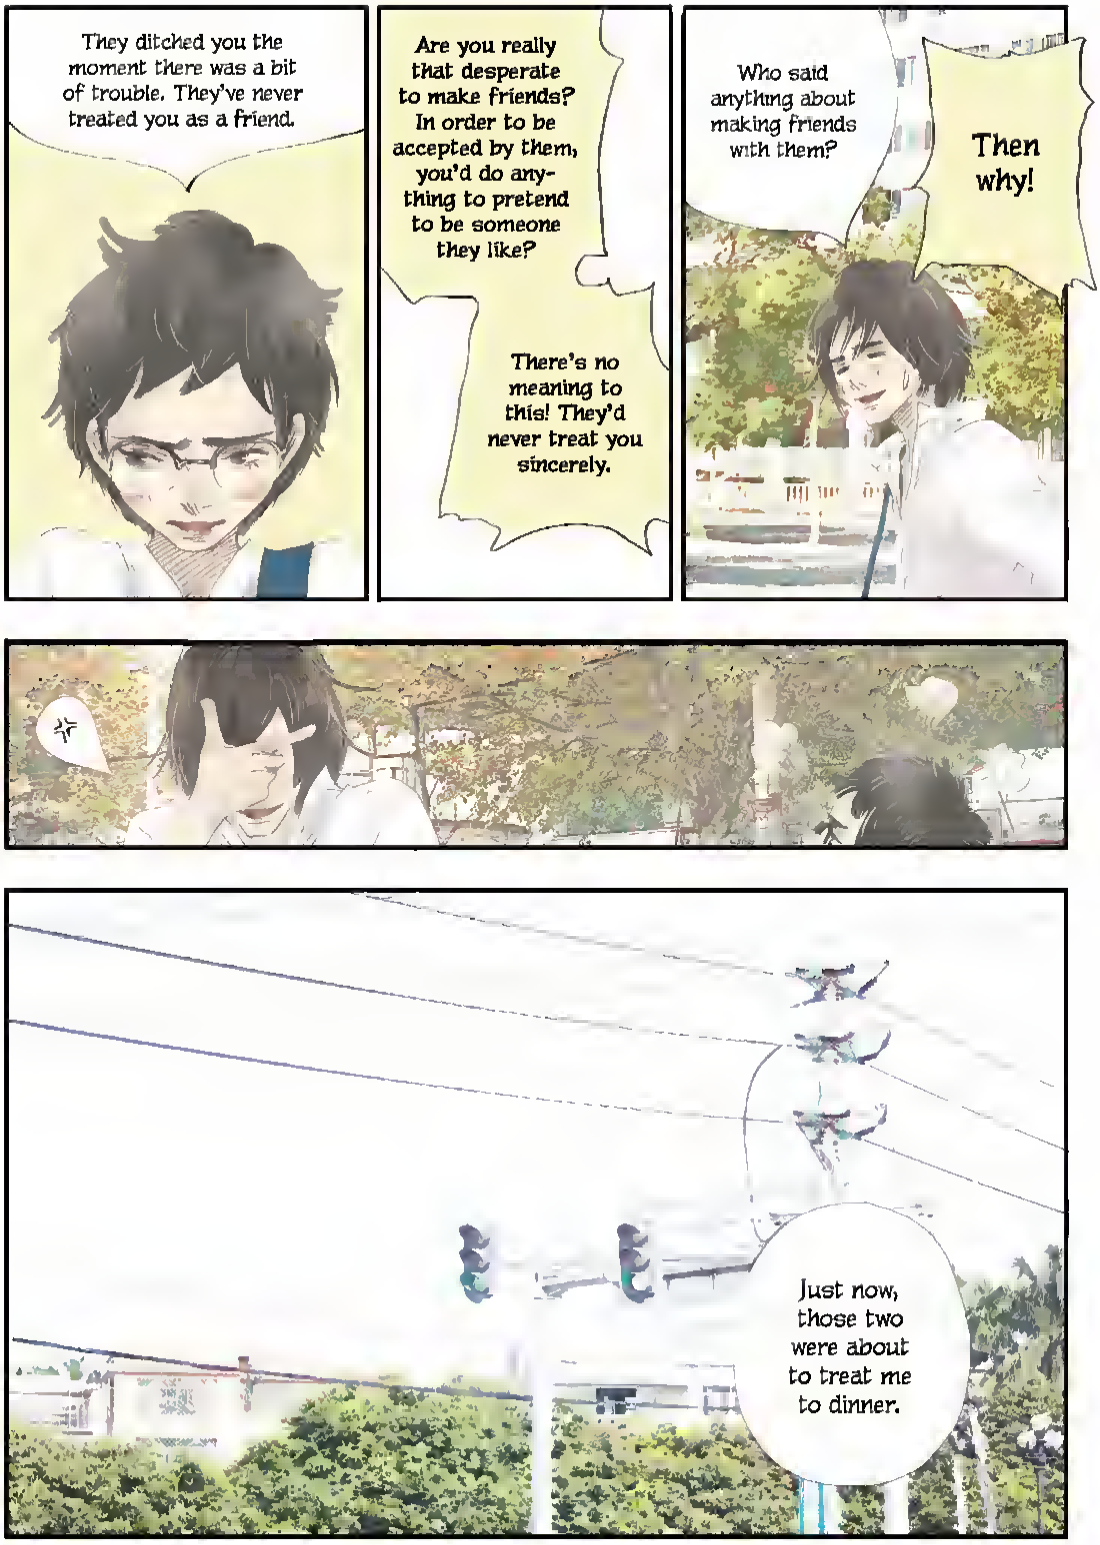




Give me back my bag.

Bye bye!

Alright then, are you happy now?



They ditched you the moment there was a bit of trouble. They've never treated you as a friend.
Are you really that desperate to make friends? In order to be accepted by them, you'd do anything to pretend to be someone they like?
There's no meaning to this! They'd never treat you sincerely.
Who said anything about making friends with them?
Then why!
Just now, those two were about to treat me to dinner.

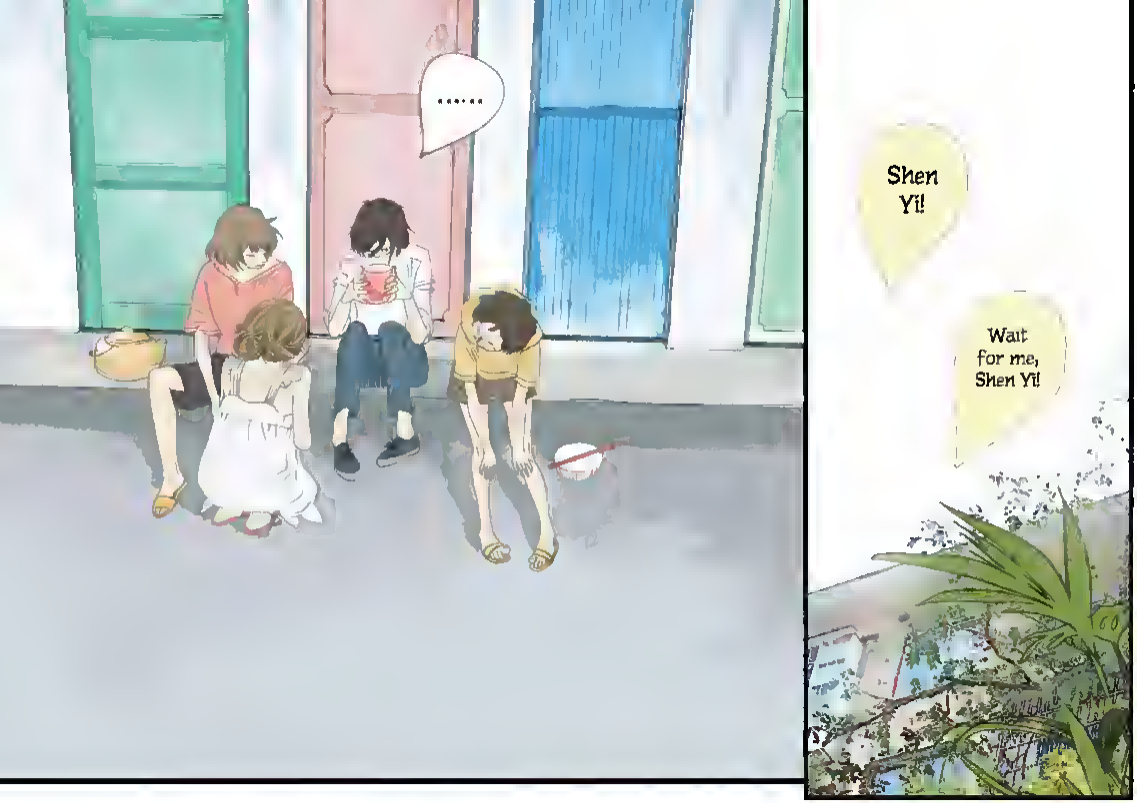
Last time as well - they were about to treat me to dessert. And you messed it up.
All this just for food...
Yup.
Are you a dog? Don't you have any self-respect?
Dog... You brat, you've got an unforgiving tongue, don't you?
I'm only speaking the truth!
Whatever.
Goodbye.
Hold on!

What? You gonna pay for my dinner?
I don't have any money...
Then invite me back to your place. Your brother's cooking is pretty good.
No way. Mother will get angry; she doesn't like strangers.
Bye bye.
Just hold on a sec! Shen Yi!
An hour later... is that okay?
Is it okay if you have dinner an hour later?

SLEEPY.
Sorry to have kept you waiting! You must be hungry?

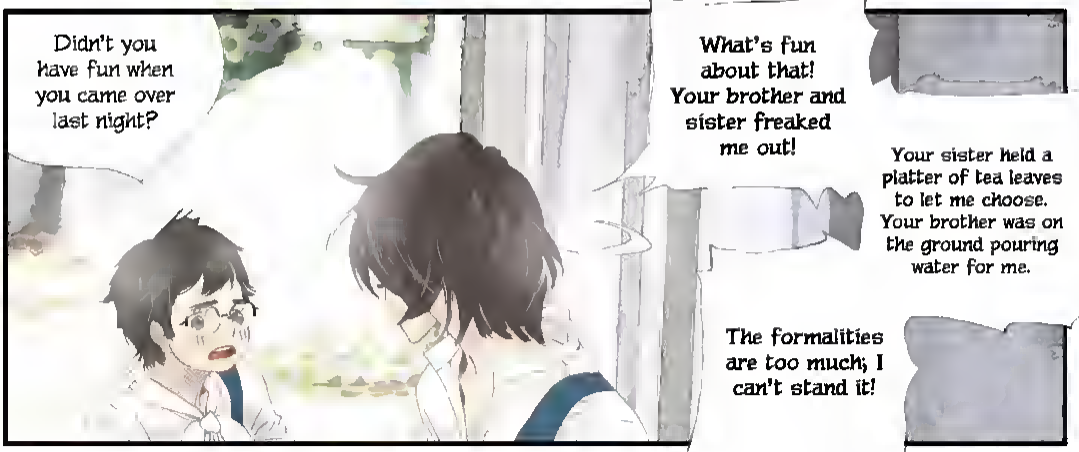
Rub
Rub
Wake up. It's time to eat.
You were just saying I have no self-respect, like a dog. And then you end up letting me eat leftovers at your backdoor.
No matter how you see it, I'm acting more like a dog now, right?
These aren't leftovers! Big brother made it especially for you!

Is that so. Your big brother really is a nice guy.
Mm!
Erye.
We've brought tea.
Delicious!
Of course.
There's black tea, orange tea, and jasmine tea - which one would you like?
Anything... is fine.
Thank you.



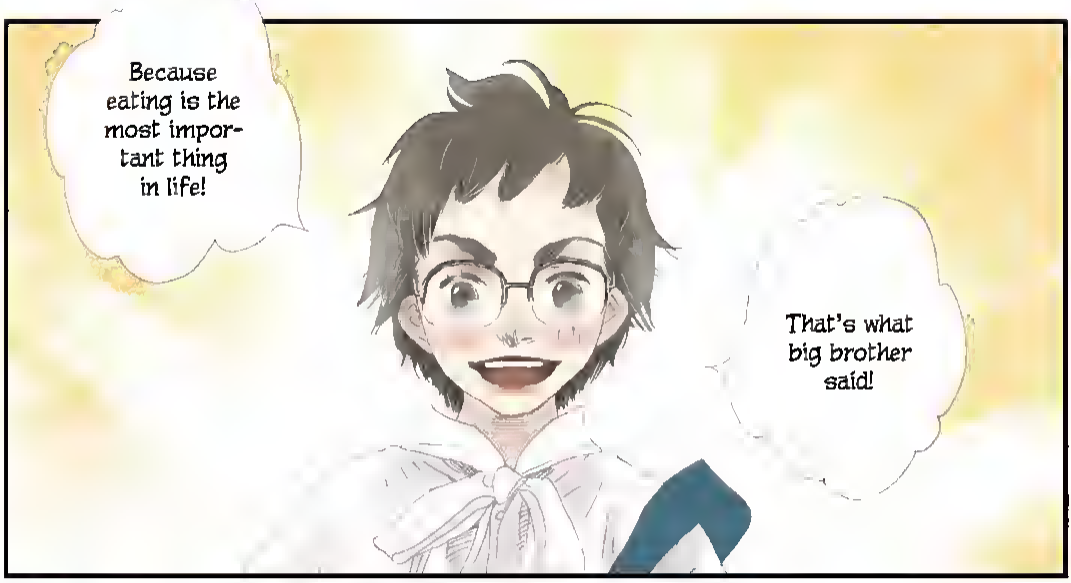
.....
Shen Yi!
Wait for me, Shen Yi!

Why won't you come over?
You don't have any food at home, right?



Didn't you have fun when you came over last night?
What's fun about that! Your brother and sister freaked me out!
Your sister held a platter of tea leaves to let me choose. Your brother was on the ground pouring water for me.
The formalities are too much; I can't stand it!

It's a bit overwhelming.
They felt bad about not letting you into the house.
Shen Yi... Could it be that no one's ever been nice to you?
!
Bye!
Hold on!
I'll bring the boxed meal to your place.
Do you want to get killed by gangsters?
Then we'll find some other location...
You're so annoying! Why do you care about whether or not I eat?



Because eating is the most important thing in life!
That's what big brother said!

You win.

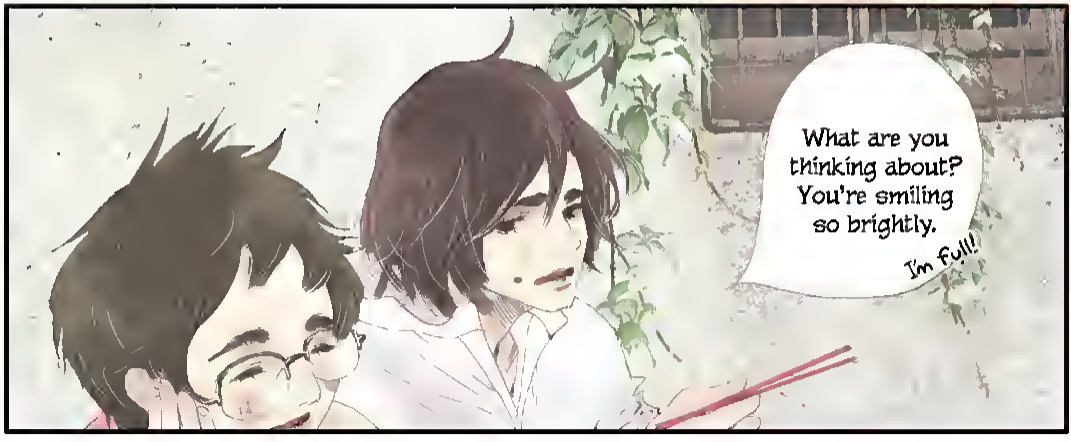
Erye, is your classmate not coming over today?
Mm, he won't come back again!

All done.
Thanks, big brother. I'm heading out!
Come home soon!
I know!
Yo.
It's bean and beef stew today.
Smells so good!

I WONDER WHY?

I FEEL REALLY HAPPY.

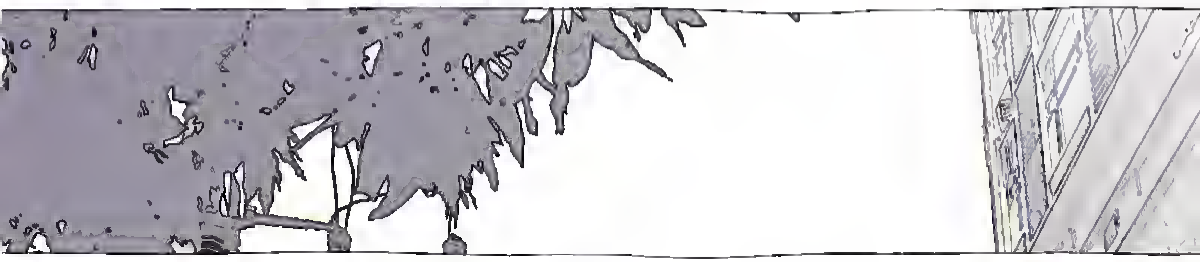
SO HAPPY THAT IT FEELS LIKE I'M SOARING.



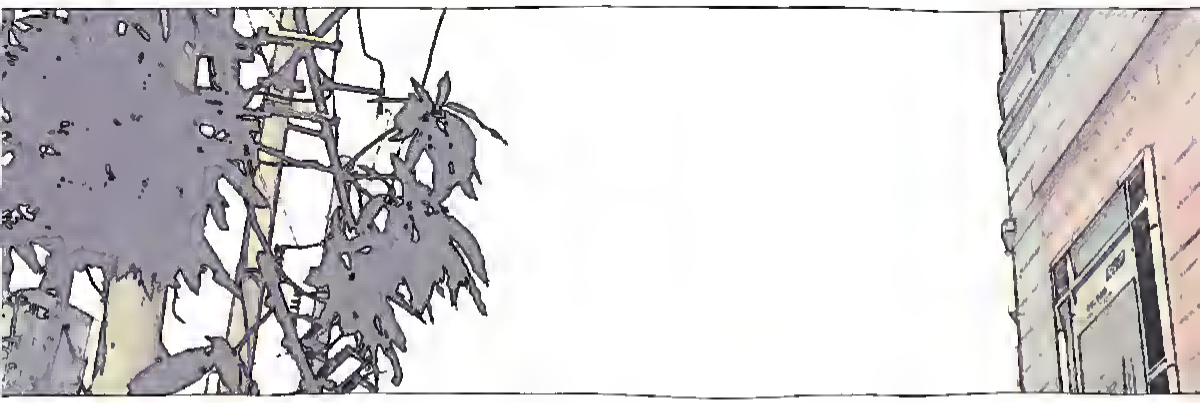
I'm not telling you!
So... You're not going to ask me about my family?
Most people would be curious, right?
Big brother said that it's rude to ask about someone else's family issues.
You - you're always mentioning your big brother.
I'm envious of you.
To have someone you can depend upon.
The legendary brother complex?
No way!
There's nothing wrong with a brother complex. Anyway, your brother is honestly not bad.

I'll put in more effort!
More effort?
Haha!
You're so amusing, Erye Zheng.
So that I can become someone you can depend on!
Then...
Work hard.
I'll be relying on you.

OH, GOD!



WHAT'S THE MATTER WITH ME?



I'M SO HAPPY... THAT IT FEELS LIKE I'M SOARING THROUGH THE CLOUDS.
